

MY HEALING CUP

Written by Sandra Peppers Cooper

To each and every hero
At the Pentagon and Ground Zero
Thank you from the bottom of my heart
And those who place themselves in danger
For the love of a stranger
What can I do where do I start
Well, I'll tell you.....

Chorus

I RAISE MY HEALING CUP
SWING IT HIGH LOOKING UP
TO AMERICA'S FOUNDATION
WATCHING GOD HEAL THE NATION
MY STRENGTH GROWS AS I PRAY
FOR THE U. S. OF A.
AND FOREVER PEACE IN THE WORLD
MISS LIBERTY I LOVE YOU GIRL

My flag is flyin' at half mass
Even Superman wants your autographs
It's true I think about you everyday
It's your bravery that saved us
We'll brighten the light that you gave us
United we'll stand all the way
So everyone....

Chorus

COME RAISE YOUR HEALING CUP
SWING IT HIGH LOOKING UP
TO AMERICA'S FOUNDATION
AND WATCH GOD HEAL THE NATION
YOUR STRENGTH GROWS AS YOU PRAY
FOR THE U. S. OF A.
AND FOREVER PEACE IN THE WORLD
MISS LIBERTY WE LOVE YOU GIRL

Bridge

Thank you again everyone for everything that you've done
We'll always remember September and your gift

Chorus

WE LIFT OUR HEALING CUP
SWING IT HIGH LOOKING UP
TO AMERICA'S FOUNDATION
WATCHING GOD HEAL THE NATION
OUR STRENGTH GROWS AS WE PRAY
FOR THE U. S. OF A.
AND FOREVER PEACE IN THE WORLD
MISS LIBERTY WE LOVE YOU GIRL

This song is dedicated to the countless unsung heroes
who died, suffered and selflessly worked at the
sites of the September 11th 2001 terrorist attacks
against the United States of America.
